

**JOURNAL OF TURKISH CLINICAL BIOCHEMISTRY
COPYRIGHT AGREEMENT FORM**

Manuscript Title:

The undersigned authors hereby agree that the Journal of Turkish Clinical Biochemistry and the publisher the Turkish Society of Clinical Biochemistry have no responsibility over the content of the manuscript titled above.

Originality of the Submission: The submitted manuscript (including the text, tables, figures, graphs, images, and any other related content) is an original work and has not been published previously in any form, except as a preprint or abstract. The manuscript is not under consideration for publication elsewhere and will not be submitted to any other journal while under review by the Journal of Turkish Clinical Biochemistry.

Using Third Party Materials: If the manuscript contains any material that is protected by copyright (e.g., figures, tables, photographs, illustrations, or substantial quotations from other sources), the author(s) confirm that they have obtained written permission from the copyright owner(s) for use in print and electronic formats. Copies of such permission letters must be provided to the journal upon request.

Copyright, License, and Rights: By signing this form, authors retain the copyright of their work but grant the Turkish Society of Clinical Biochemistry a non-exclusive license to publish the article in Journal of Turkish Clinical Biochemistry. If accepted for publication, the article will be licensed under a Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0), which permits third parties to share and adapt the content for non-commercial purposes, provided appropriate credit is given to the original work. If the article is accepted for publication, authors agree that their photograph(s) may be published in announcements and promotional materials related to the article.

Validity of the Agreement: If the article is not accepted for publication in the Journal of Turkish Clinical Biochemistry, or if the manuscript is withdrawn by the author(s) before acceptance, this

agreement will expire, and both the journal and the authors will be released from all obligations under this agreement.

Artificial Intelligence (AI) Statement: The undersigned authors declare that Artificial Intelligence (AI) tools have not been listed as authors. If AI tools were used for writing support or data processing, this has been explicitly declared in the "Materials and Methods" or "Acknowledgements" section of the manuscript.

Authorship: According to the International Committee of Medical Journal Editors (ICMJE) guidelines, authorship should be based on the following four criteria, and all four conditions must be met:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
- Drafting the work or reviewing it critically for important intellectual content;
- Final approval of the version to be published;
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

All authors must fulfill the conditions specified in the first three criteria listed above. Those who do not fulfill the specified number of contributions and conditions are to be mentioned in the "Acknowledgement" section of the article rather than listed as authors.

Type of Contribution: 1. Concept | 2. Design | 3. Supervision | 4. Fundings | 5. Materials | 6. Data Collection | 7. Analysis/Interpretation | 8. Literature Review | 9. Writing | 10. Critical Review

This form should be signed by all authors and submitted during the initial submission with the rest of the manuscript files. The authors can either sign the same page or submit separately signed documents.
